

Code Ocean Workshops at Northwestern

These workshops have been completed.

We're pleased to present two workshops with Code Ocean to enable researchers to prepare research for computationally reproducible publication. Light refreshments will be served at both workshops.

Biomedical and clinical research reproducibility workshop:

Title: *Integrating reproducible best practices into biomedical and clinical research: A hands-on workshop for researchers*

Date: April 17, 2018

Time: 2:30 - 4:30 PM

Location: Robert H. Lurie Medical Research Center, Gray Seminar Room (1-165), 303 E Superior St., Northwestern University Feinberg School of Medicine, Chicago

Hosted by: Galter Health Sciences Library & Learning Center

RSVP: <https://codeocean.com/workshop/northwestern-university-chicago-campus>

Audience: Biomedical or clinical researchers, students, librarians, and those interested in research best practices.

Participants should bring a laptop to fully participate.

Publishing data and code workshop for all disciplines:

Title: *Preparing your data and code for reproducible publication: A hands-on workshop for researchers*

Date: April 18, 2018

Time: 10:00 AM - 12:00 PM

Location: Mudd Library, 2233 Tech Drive, Room 2210, Northwestern University, Evanston Campus

Hosted by: Northwestern University Libraries

RSVP: <https://codeocean.com/workshop/northwestern-university-evanston-campus>

Audience: Researchers who use code in their research and wish to share it, those who plan to do research using code, or those who support researchers. Participants should bring a laptop to fully participate.
