

Collections Update: December 2020

The Galter Library is constantly striving to update our electronic resources and bring current tools to our patrons' desktops. In late 2020, the Library added to its electronic collections and now provides online access to these information resources:

Books

- [Cognitive Therapy Techniques for Children and Adolescents: Tools for Enhancing Practice](#)
- [Gardner and Sutherland's Chromosome Abnormalities and Genetic Counseling](#) (5th ed.)
- [Hensley's Practical Approaches to Cardiothoracic Anesthesia](#) (6th ed)
- [My Degeneration: A Journey Through Parkinson's](#)
- [Plum and Posner's Diagnosis and Treatment of Stupor and Coma](#) (5th ed)
- [Textbook of Oncofertility Research and Practice: A Multidisciplinary Approach](#)

Looking for other books and resources in library collections? In early December, Galter Library implemented a new discovery system. Make sure you are searching from the [Galter website](#). If you have a bookmark directly to the discovery page or title record in your browser, it should be [updated](#). More tips can be found in: [Galter Library's New Resource Discovery System: FAQs](#).
