

Collections Update: May 2025

The Galter Library is constantly striving to update our electronic resources and bring current tools to our patrons' desktops. Titles that were added in Spring 2025 to subscribed collections licensed by the Library or now available to the Northwestern University community include:

BOOKS

- [Harrison's Principles of Internal Medicine](#)- [Early online chapters]; 22nd edition
- [Urban Health: A Practical Application for Clinical Based Learning](#) (Open Textbook Network)

JOURNALS

- [Nature Aging](#)

UPDATES: DATABASES- EMBASE

- Beginning May 5, clinical trials content from ClinicalTrials.gov is being added to [Embase](#). The new content is from the clinical trials registry and results database produced by the U.S. National Library of Medicine. (announcement- March 2025 [Embase Release Notes](#)).
- Preprints from the Social Science Research Network (SSRN) are being incorporated and, in alignment with the scope of Embase, initially, the focus will be on health sciences and life sciences. (announcement- November 2024 [Embase Release Notes](#)).

For more information search support, contact the Galter [liaison librarians](#).

UPDATE: OPEN ACCESS PUBLISHING GALTER GUIDE

- Springer- *Northwestern corresponding authors are eligible to publish their articles open access, with fees covered*

For more information about this and other discounts and services related to Open Access that are available through Northwestern University, refer to the publisher-specific sections in the GalterGuide > Open Access Publishing / [Open Access Support at Northwestern](#)

Looking for other books and resources in library collections? Use the search box on the [home page](#) of the Galter website. The Galter Guide, [How to Find Resources](#), provides tips on how to search for print books, e-books, how to search inside multiple books simultaneously, and more.
