Act Now to Register and Make a Plan to Vote!

The 2020 election is only weeks away – make sure you're ready to vote. If you're a first time voter or you've moved since the last election, you need to **register or update your registration**. And if you want to want to vote by mail (the safest way to vote during COVID-19) you need to **request your ballot**. Voter registration and ballot request deadlines begin to close in early October, so act now!

[NU Votes](#) can help:
