Employment Opportunities

Located in the heart of Chicago’s Magnificent Mile, Northwestern University Feinberg School of Medicine has built a national reputation for excellence through a strong history of collaboration, interdisciplinary medical education, and research. Along with Northwestern Memorial Hospital and Northwestern Medical Group (NMG), it is part of the premier academic medical center known as Northwestern Medicine. The Galter Health Sciences Library, a division of NUCATS, Northwestern’s clinical and translational sciences institute, shares Northwestern’s commitment to excellence, and fosters the creation and sharing of knowledge among the faculty, staff, and students of the Feinberg School of Medicine and its affiliates. Library staff and faculty strive to improve and enhance health care through innovation and leadership in the organization, delivery, management, and use of quality information to support the educational, research, and patient care needs of our users.

Northwestern University is an Equal Opportunity, Affirmative Action Employer of all protected classes including veterans and individuals with disabilities. Women and minorities are encouraged to apply. Hiring is contingent upon eligibility to work in the United States.

Here are the current employment opportunities at the Galter Health Sciences Library. To apply for any of these positions, please follow the directions in the full description.

Research Librarian

Galter Health Sciences Library (GHSL) at Northwestern University’s Feinberg School of Medicine seeks a friendly and outgoing individual to join our research and information services team, to strengthen support of faculty, students, and staff on matters pertaining to their scholarly and research endeavors in the basic science and/or clinical research setting. Early career librarians are encouraged to apply.
