Employment Opportunities

The Galter Health Sciences Library is a dynamic organization that shares Northwestern’s commitment to excellence, and fosters the creation and sharing of knowledge among the faculty, staff, and students of the Feinberg School of Medicine and its affiliates. The Library strives to improve and enhance health care through innovation and leadership in the delivery, management, and use of quality information to support the educational, research, and patient care needs of our users.

We strive to build and sustain an inclusive environment for our NU community and recognize the value of diversity in thought and perspective as we carry out our mission. Galter Library also encourages and supports a healthy work/life balance and we strive to support well-being at Northwestern for our team and our larger campus community. We strongly encourage people from all backgrounds to apply. Northwestern University is an Equal Opportunity, Affirmative Action Employer of all protected classes including veterans and individuals with disabilities. Hiring is contingent upon eligibility to work in the United States.

Northwestern University is an Equal Opportunity, Affirmative Action Employer of all protected classes including veterans and individuals with disabilities. Women and minorities are encouraged to apply. Hiring is contingent upon eligibility to work in the United States.

Cataloging and Metadata Librarian

JobID #43531

Galter Health Sciences Library & Learning Center at Northwestern University's Feinberg School of Medicine seeks an enthusiastic librarian to provide original and complex cataloging and record maintenance for all formats of materials using current and appropriate descriptive and encoding standards. Working collaboratively, this full-time non-tenure faculty librarian will ensure prompt access to existing and newly acquired resources with an emphasis on discoverability, interoperability, and usability. They will also provide leadership and direction for cataloging and metadata projects that advance the strategic direction of the library, and of the Northwestern University Feinberg School of Medicine. Galter Library is a contemporary, forward-looking health sciences library and we’re excited to grow our team in ways that reflect our dynamic and highly collaborative information environment.
