Library Access

Please visit our [Library Access](#) page for specific policies related to accessing Galter's resources, and accessing the library building.

Galter Library is a Quiet Zone

To promote physical distancing, maintain a healthy facility, and create a respectful study environment, Galter Health Sciences Library is a quiet zone. We ask all library users to limit their activities to:

- Low speaking voice, when necessary
- No cell phone conversations
- No congregating in groups

Please set your cell phone to silent or vibrate. Thank you for your cooperation.

Food and Drink in the Library

No food is permitted in the library at any time. Drinks are limited to personal beverage containers with secure, leak-proof lids (e.g. water bottles or sealed travel mugs).
