

Mission & Organization

The Galter Health Sciences Library & Learning Center fosters the creation and sharing of knowledge among the faculty, staff, and students of the Feinberg School of Medicine and its affiliates. We strive to advance leading-edge patient care, research, and education through integrated partnerships, dedicated services and resources, and a deep commitment to innovation and excellence.

Organization

Please visit our individual [departments](#) page for more information.

Annual reports

These annual reports highlight the yearly achievements of library faculty, and the cutting-edge programs we have launched that further our mission.
