

Remote Access to Licensed Resources

If you are connecting from off-campus, sign into the Galter Library website first to guarantee seamless access to the library's licensed resources.

[SIGN IN NOW](#)

First-time users of Galter Library off-campus access will need to [create a library website account](#). You will need a NetID to get started. Off-campus access is only available to currently-affiliated faculty, students, residents and staff of the Feinberg School of Medicine.
