

Galter Hosts Gabrielle Barr, National Library of Medicine Fellow

Galter Health Sciences Library & Learning Center is pleased to be hosting Gabrielle Barr for a year-long fellowship beginning Wednesday, September 12. Gabrielle is a current [U.S. National Library of Medicine Associate Fellow](#) with interests in the History of Medicine, Special Collections and Rare Book Cataloging. During her year at Galter Library, Gabrielle will be working on several projects, such as a special exhibit on historical medical records, writing local documentation for use of ArchivesSpace, and updating library guides on our special collections. Karen Gutzman, Digital Innovations Specialist and Kristi Holmes, Director are serving as her preceptors for the year.
