January Speaker Series: Harry Potter's World

Throughout the month of January, Galter Library is hosting a speaker series to accompany the NLM exhibition, *Harry Potter's World: Renaissance Science, Magic, and Medicine*, on display now in the library. Join us to hear Northwestern University faculty members from the Feinberg School of Medicine and the Weinberg College of Arts and Sciences share their expertise on history, literature, and medicine, and how they relate to the world of magic. Visit galter.northwestern.edu/harrypotter for updates on event times and locations. Light refreshments will be provided.
