I support the information and training needs of student groups, faculty, staff, and residents in various departments, centers, and programs at the Feinberg School of Medicine.

Contact me

- for search strategy consultations, including systematic and scoping review collaboration
- to set up information resource training for faculty, residents and staff in your departments
- for EndNote training or assistance
- to learn about more effective and efficient use of library resources

Relevant guides and resources

- EndNote for Windows | EndNote for Mac
- Systematic Reviews
- Evidence-based Clinical Practice
- PubMed
