I support the information and training needs of student groups, faculty, staff, and residents at various departments at the Feinberg School of Medicine. See those departments listed below in the Liaison Areas section.

Contact me

- for search strategy consultations, including systematic review collaboration
- to set up information resource training for faculty, residents and staff in your departments
- for EndNote training or assistance
- to learn about more effective and efficient use of library resources

Relevant guides and resources

- EndNote for Windows | EndNote for Mac
- Systematic Reviews
- Evidence-based Clinical Practice
- PubMed
